Parts prices include all filters, seals etc. but do not include items that may be used on an inspect and replace as required basis. These additional parts include but may not be limited to:-

- Sea Water Pump Impeller
- Drive Belt
- Gearbox Oil ó £3.20 Per Litre ó Note: b
- Gearbox Oil Filter - Note: b

Notes:

- a) The price shown for oil/coolant includes the price of coolant which is recommended to be changed every 2 years.
- b) The price of gearbox oil and filters are not included as these vary in type and quantity dependent on the gearbox make/model fitted.
- c) Fuel injectors testing & valve clearance checks should be carried out at 2000 hrs or 2 years, which will be charged extra to the above cost at the correct service interval.
- d) Travel time and mileage are charged additionally at current rates. (£50.00/hour & 0.51p/mile)
- e) All prices are in Pounds Sterling excluding VAT. Subject to our standard terms of business.
- f) Prices may be subject to change without notice.
